Fort Wayne, Indiana 46802

Dear Mr. Bonahoom:

This is in reply to your letter of January 3, 1968, as to a request by Councilman Nuckols of the First District as to a current report from the Redevelopment Commission on progress of House Inspection. The Fort Wayne Redevelopment Commission is not in charge of House Inspection, but this is a duty of the Building Department. In answer to your second sentence on the number and extent of the inspections through the Fort Wayne Redevelopment Commission our answer would have to be zero.

I think that Mr. Nuckols was asking for progress in submitting an application to HUD as to a Code Enforcement Project in the East Central Neighborhood. There was some talk about the Redevelopment Commission preparing the application and even administering the project. As it is today, the Redevelopment Commission is not entrusted with the duties of Housing Code Inspection and if, in some way, this could be transferred to our agency, discussions between the City Council, City Administration and members of the Redevelopment Commission would have to take place, so that I may have permission to spend staff time in preparing the application.

Sincerely,

DUANE L. GILLILAND
